THIS IS THE ONE!

PRO-ACTION VIDEO FOOTBALL

THE WAY IT WAS MEANT TO BE!

Experience the earnings impact of Williams' **HIGH IMPACT FOOTBALL,** and discover why sports video will never be the same again! Only **HIGH IMPACT** breaks new ground with *Live Action* football that delivers all the bone-crunching tackles, circus catches and high energy gridiron excitement.

HIGH IMPACT brings football to life with the energy and strategy of a non-stop highlight film. The reason is Williams' own exclusive digitized graphics technology for on-screen football action that's so real players will feel like suiting up!

With 15 *Pro-Action* teams to choose from, **HIGH IMPACT** packs scoring power and continuous buy-in profit punch for 1 to 4 players. There's easy-to-use single "Move" joystick and "Action" button *Superstar™ Controls,* with over 40 authentic Offensive plays and Defensive formations to choose from.

This is the single football game you've been waiting for! Players will test their skills to master long-range *Bombs, Double Reverses, Half-Back Options, Nickel Defense, Zone Coverage, Stunts, Red-Dog Blitz* and so much more

HIGH IMPACT brings you all the action on and off the field—the cheerleaders, the coaches, the outrageous banter of Manic Max™ the deranged play-by-play commentator, the hot dog antics of the players and the cheers and jeers of the fans led by Joe Six-Pack™.
